We want to share in the celebration of upcoming birthdays, anniversaries, and other special life events. We are offering shout-outs for the people who matter most in the Meldon family -- you! Reach out to [jhoward@meldonlaw.com](mailto:jhoward@meldonlaw.com) if you have a special event you would like to request a shout-out for.

The outbreak of COVID-19 has also caused many of us to get back into the kitchen and do more good ole' home cooking. Meldon Law Talk has long celebrated those friends in and outside of the office who have donated their favorite recipes to feature in our monthly newsletter. In fact, we get tons of positive feedback from our newsletter friends about how they love our recipes.

Meldon Law has decided to invite all of our readers to pitch in with their favorite recipes that we will feature in our newsletter. And if your recipe makes the cut we will donate \$100 to your favorite charity. All you have to do is email your recipe to [jhoward@meldonlaw.com](mailto:jhoward@meldonlaw.com) and we will take care of the rest. And please send us your name, city, and picture (picture is optional) so we can let everyone know who the celebrity chef is. If it is a family recipe let us know its history, and if you have a picture of the dish that would be great. Our office manager, Stefany, came up with a list of eligible entries:

## RECIPE OF THE MONTH - *Red, White and Blue Deviled Eggs*

### Ingredients:

- 3 drops red gel food coloring
- 2/3 cup water, or as needed
- 2 drops blue gel food coloring
- 1 box toothpicks
- 8 hard-boiled eggs, peeled
- 2 1/2 tablespoons mayonnaise
- 1 tablespoon hot prepared horseradish
- 1 teaspoon rice vinegar
- 1/8 teaspoon salt, or to taste
- 1 pinch fresh-ground black pepper
- 1/4 teaspoon smoked hot paprika
- 1 teaspoon snipped fresh chives

### Directions:

1. Combine red food coloring and 1/3 cup water in a small bowl; do the same with the blue food coloring in a separate bowl.
2. Gently insert 3 or 4 toothpicks about 1/4-inch deep through the center of an egg and balance it so that one end is dipped in one of the dyes. Let stand for 5 to 10 minutes. Dip the other end of the egg in the other dye so the eggs have red, white, and blue bands. Dye the rest of the eggs and let dry on paper towels.
3. Slice colored eggs in half and set the whites aside on a serving platter. Push the yolks through a sieve into a bowl or use a potato ricer.
4. Mix mayonnaise, horseradish, rice vinegar, salt, and pepper into the yolks and stir until smooth. Taste and adjust seasoning. Transfer filling into a piping bag fitted with a large star tip.
5. Pipe filling into each egg white half. Place smoked paprika in a fine mesh strainer; hold the strainer over each egg half and tap gently to dust with paprika. Sprinkle deviled eggs with chives. Chill until ready to serve.
