Writing a Will

A man hears from a doctor that he only has six months to live, so he decides to talk to a lawyer about writing a will.

The secretary watches as the man walks into the lawyer's office and three minutes later the man leaves in great anguish.

"Can I help you?" asks the secretary.

"Help me? This lawyer is crazy! I asked him to write a will for me and he said, "Sure, let me just ask you a few questions and then *leave it all to me.*"

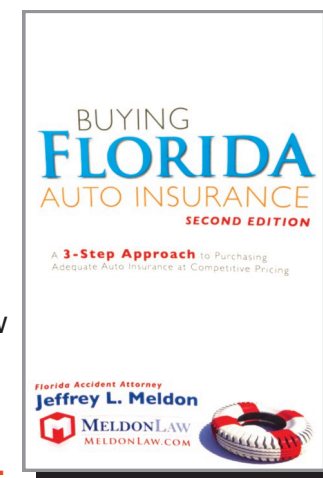

Jeffrey Meldon Updates "Buying Florida Auto Insurance" Book

In 2010 I wrote perhaps the most important consumer book in Florida. "Buying Florida Auto Insurance-a 3 Step Approach To Purchasing Adequate Auto Insurance At Competitive Pricing" was written to help Floridians know what insurance they needed to protect themselves and their families in the event of an accident. It was written to address what I saw as a crisis in our state. Florida has some of the weakest laws in the country when it comes to requiring the at-fault party in a crash to pay for the damage caused by his/her carelessness/negligence. Most states require that everyone carry Bodily Injury Liability Insurance. However, in Florida the only insurance that is required to protect the innocent victim is \$10,000 in Property Damage Insurance. This law was passed in the early 1970's when \$10,000 could actually buy a new car! This law has never been updated. So Florida is the wild west of the insurance industry. Not only are you at risk for getting stuck for car repairs, but you will have to pay for all of your out-of-pocket medical expenses, and loss of income, not to mention pain and suffering and loss of enjoyment of life.

To complicate matters further, Florida insurance laws were changed in 2012 and you only have \$2,500 in Personal Injury Protection (PIP) to pay for your medical bills unless you have an emergency medical condition. *The solution is to buy an auto insurance policy that protects not only you and your family, but your property (car/truck) as well. I explain in detail what my recommendations are regarding the need to purchase adequate uninsured motorists coverage as well as other insurance; such as collision/comprehensive coverage, medical payments coverage, gap insurance and many more.*

THAT IS WHY I HAVE UPDATED MY BOOK IN 2016.

DO NOT buy insurance over the phone or on the internet before reading my FREE book "BUYING FLORIDA AUTO INSURANCE." It is short and easy read. Within a few minutes you can review the summary of the whole book on pages 43-44, where I provide my overall recommendations. **You can get a FREE copy of my book online at MeldonLaw.com or by calling our office at 800-373-8000.**

Chocolate-Covered Cherry Mice Recipe—From The McCall Family Household

Ingredients

- 1 jar maraschino cherries with stems, drained and dried (see Notes)
- 6 ounces semisweet chocolate
- 1/2 tsp butter
- 1 ounce paraffin, chopped (see Notes)
- 1/2 cup chocolate chips (see Notes)
- 1/2 cup sliced almonds
- 1 tube red (clear) gel icing

Preparation

1. Line a cookie sheet with waxed or parchment paper.
2. Rinse the maraschino cherries, drain thoroughly, and let dry on paper towels, turning often. The cherries must be completely dry or the chocolate will seize and get crumbly.
3. Gently melt chocolate, butter, and paraffin in a double boiler until smooth, stirring often to prevent burning. Once melted, turn off heat, but leave in the double-boiler on the burner.
4. Dip dry cherries in melted chocolate to completely cover up to the stem. Place on lined cookie sheet. Immediately press

on chocolate chip, flat side to the front of the dipped cherry, to form a head.

5. While chocolate is still warm, wedge two sliced almonds between chocolate chip and cherry to form ears. Let cool.
6. Use a toothpick to dab beady red eyes on either side of the chocolate chip with the red gel icing.
7. Refrigerate to firmly set chocolate.

Notes: If fresh sweet cherries are in season, by all means use them. Paraffin is sold in the canning supplies section, usually under the brand Gulf Wax. You can use the giant chocolate bars for the semisweet chocolate, or semisweet baking squares, or chocolate chips. If your cherries are exceptionally large, you may wish to use chocolate kisses for the heads.

Halloween Safety Tips

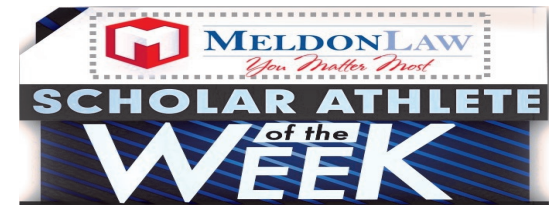

As Halloween descends upon us, memories of crisp autumn air, sweet candy corn, and brightly lit pumpkins come to mind. Growing up in a friendly part of town, I fondly recall the excitement of "trick or treating" with my young friends during our adolescence. Although my neighborhood, located in between Gainesville and the city of Alachua, did not have street lights or sidewalks, I never felt unsafe as we knocked on the doors of the various houses that were decorated with fake spider-webs and other scary ornaments.

That being said, today's technology allows us to ensure that our children are safer than the generation before them. Cell phone applications can now be utilized to track the whereabouts of your children if you believe they are old enough to "trick or treat" without parental supervision. Also, parents can use the Florida Department of Law Enforcement Neighborhood Search feature online by Googling "sex offender FDLE search" to familiarize themselves with the addresses of local sex offenders who may be located nearby. Finally, children can wear inexpensive led lights on their shoes and/or clothing to make themselves visible to motorists on the road.

Halloween should always be fun and hopefully these tips can help make it safer as well!

Welcoming Back our Meldon Law / WCJB TV20 Scholar Athletes of the Week!

Meldon Law has sponsored the Scholar Athlete Program since 1997. Every week of the school year a high school senior in the North Central Florida area is chosen as the Scholar-Athlete of the Week and given a \$100 scholarship and a plaque.

At the end of the school year we hold a banquet for all the winners and their families. Last year nearly 200 people attended the Scholar Athlete Banquet where one male and one female are chosen as The Scholar Athletes of the Year.

The winners receive a \$1,000 scholarship plus a beautiful glass trophy commemorating their achievement. Starting in 2003 the Meldon Law Firm teamed up with WCJB TV20 to promote the event widely on TV 20.

Our Most Recent Scholar Athletes!

September 7th, 2016: Tyler Smith is a defensive linebacker for Ocala's Forest High School football team. His leadership on and off the field has contributed to his recognition as this week's Scholar Athlete. He is dedicated to the game, and maintains a 4.6 GPA.

September 14th, 2016: N'Kosi Perry is a Quarterback for Ocala's Vanguard High School football team. His strong work ethic and talent on the field earned him his recognition as this week's Scholar Athlete.

To nominate someone for Scholar Athlete of the Week, make sure he or she has at least a 3.0 GPA, is a major contributor in his or her sport, and a high school senior. Please send your nominations to Brandan McCalla via email at BMcCalla@divcom.com, or you can call Brandan at (352) 416-0646.
